

*"Can You Survive the Nor'Easter"*

# NORTH EAST OFFROAD CHAMPIONSHIP SERIES

Welcome to the

## NORTH EAST OFFROAD CHAMPIONSHIP SERIES

The NEOC Series is an Adult, Youth Hare Scramble and Pit Bike Championship Series. It is a fun, family oriented series with a mix of competition and total commitment to producing the finest off-road events in the northeast. Our courses are a mix of woods, MX, rocks, mountains, enduro-cross and South Jersey sand. It is some of the best terrain to hone your skills and challenge off-road riders. Races are a 2-day venue to give all riders what they have been looking for, more seat-time, C-split from the main event and the exciting pit bike championship series. We have some of the best courses the northeast has to offer.

At every event each rider (youngest to oldest) will have a chance to win the "raffle" of the event (prizes will vary). Saturday night family entertainment, movie night, games for the youngin's & adults and stories by the campfires.

For additional information on our organization, race, directions, classes and rules please refer to our website:
